WELCOME!

Dear Orlando City Supporters,

Welcome to the new game in town! Your new Orlando City Soccer Club is bringing high-level, professional soccer here to Central Florida. We are thrilled and delighted to make Orlando our home, bringing the "Beautiful Game" of soccer to the "City Beautiful!"

Our goal is to create an inspiring and entertaining soccer franchise that will challenge for every championship, while actively engaging with and giving back to the community of greater Orlando.

We are delighted to be playing in the USL PRO, the newly created professional division of the United Soccer Leagues. In addition to the USL season, City will play several high-profile international exhibition games, as well as compete in the Lamar Hunt U.S. Open Cup, America's longest running national soccer tournament, played every year since 1913. It's going to be a very busy, exciting season!

I also want to kick off our inaugural USL PRO season by looking forward to the not too distant future – Major League Soccer is our goal. Orlando deserves another Major League franchise and we aim to deliver that. Orlando City has already had a great start against MLS teams in our 2011 pre-season games, beating both the Philadelphia Union and Toronto FC, only to drop a close one, (1-0) to FC Dallas. It is our mission and it affects every single thing we do – from Coach Heath's practice sessions to the professionalism of our entire staff.

On and off the pitch, we are committed to provide Orlando with a professional sports team of which you, our Central Florida fans, supporters and sponsors, can all be proud.

Finally, on behalf of the entire Orlando City organization, I want to thank each and every one of you for the tremendous support and encouragement you have already given to the team as we have made our home here in Central Florida. Let's all look forward to some exciting home performances in 2011. I hope to see you in the Citrus Bowl stands for all of our upcoming games, roaring us on!

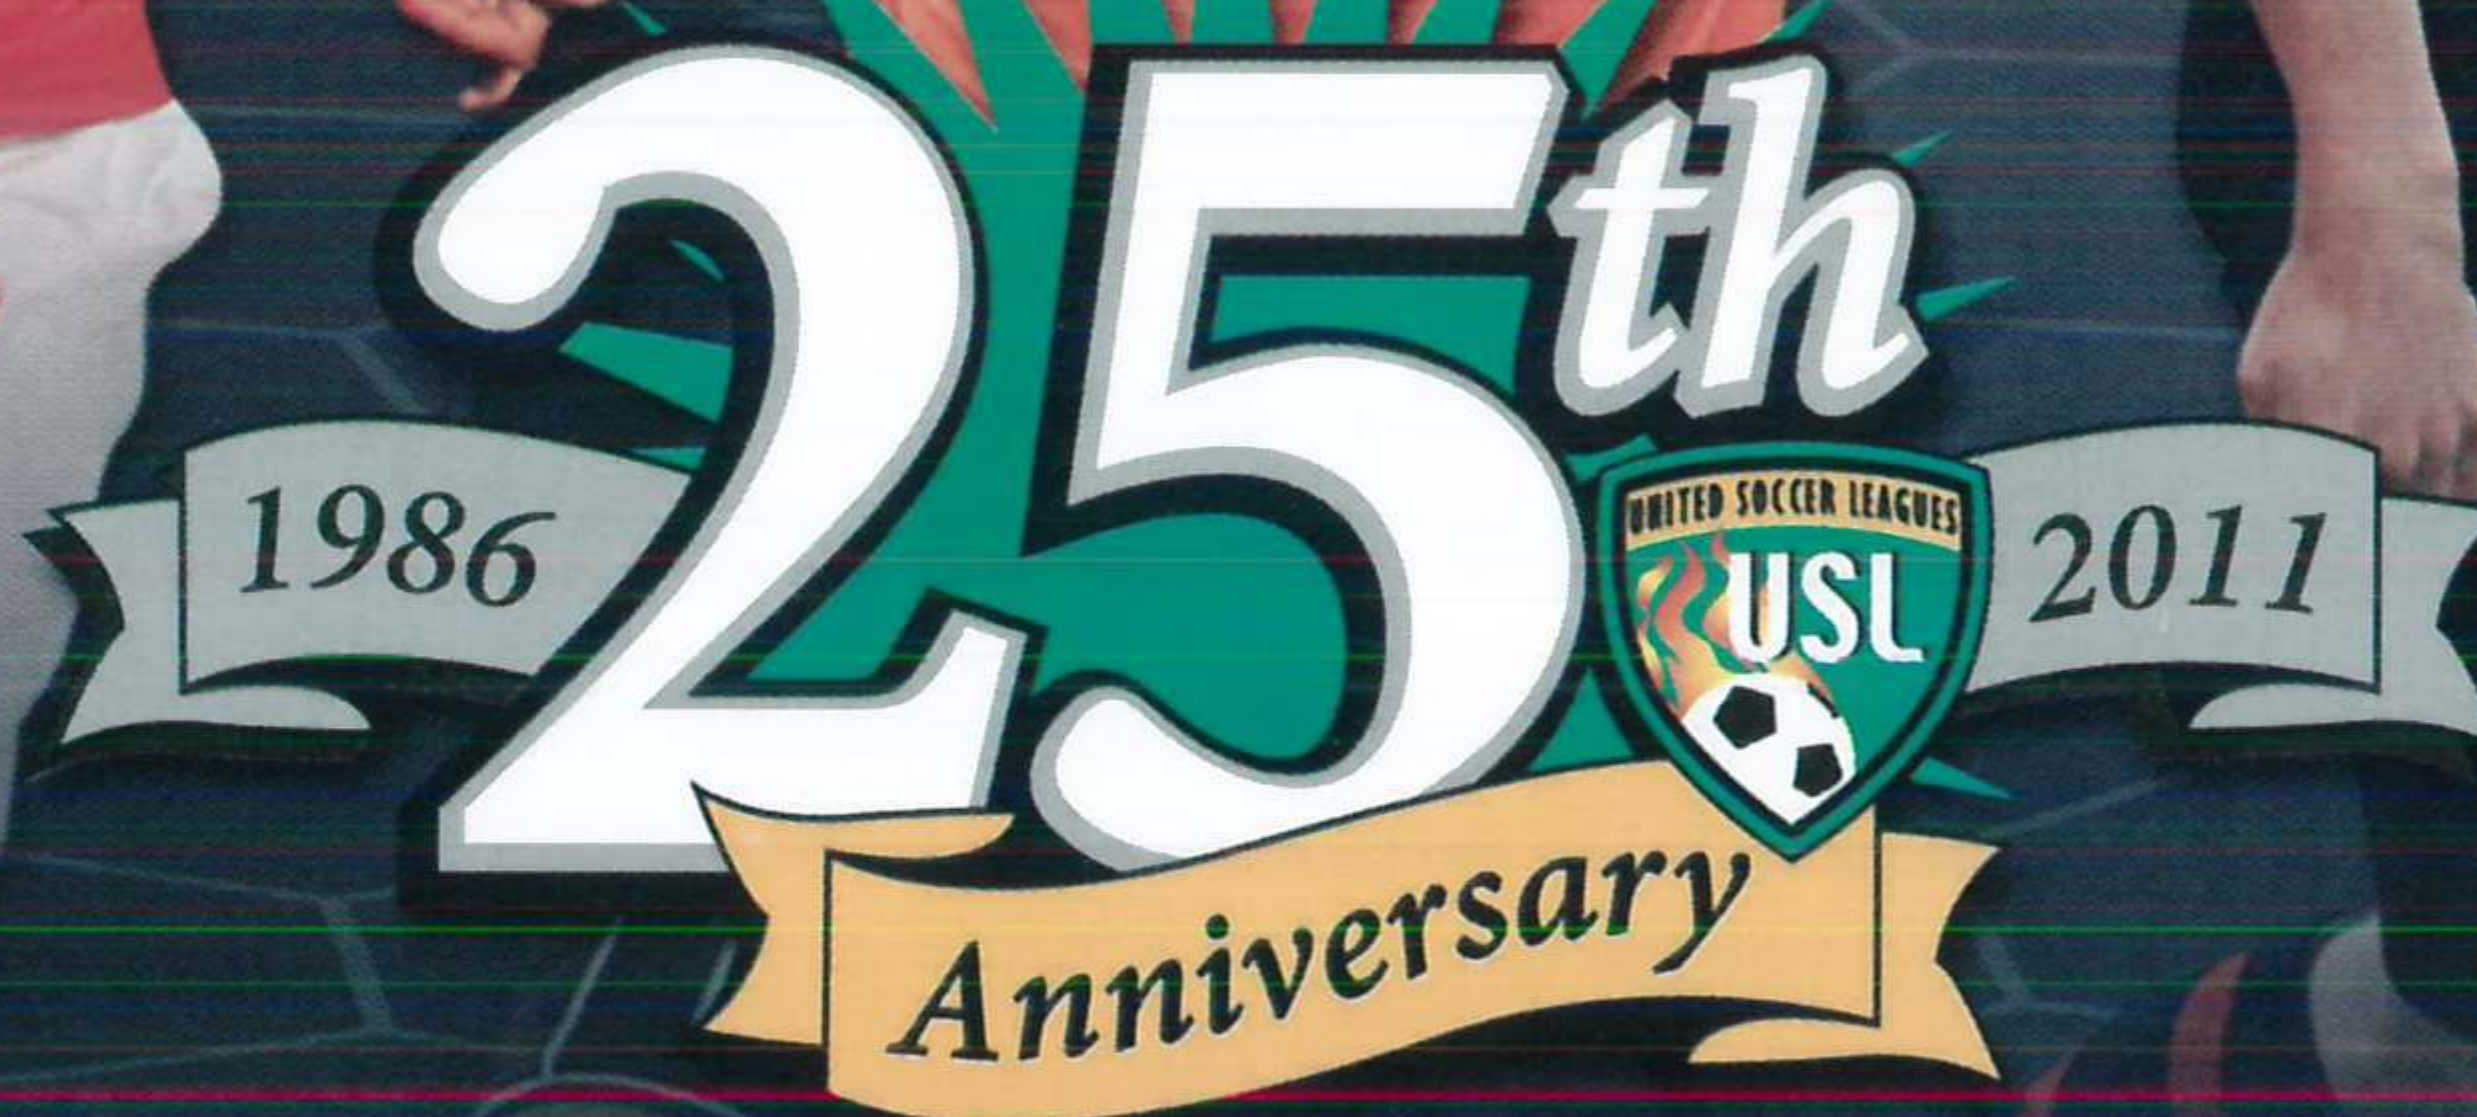

We are City. Hear us Roar!

A handwritten signature in blue ink, reading "Phil Rawlins". The signature is stylized with a large, looping "P" and "R".

WWW.USLSOCCER.COM

CELEBRATING
25 YEARS
OF COMPETITION

To all Orlando City Soccer supporters,

On behalf of our Orlando City Soccer Club players and organization, I would like to welcome all of you to this inaugural season of professional soccer in Orlando.

Soccer has a strong tradition in Orlando, from the World Cup and Olympic Soccer, to great collegiate and youth soccer. It's a sport that Central Floridians already love. Our club is dedicated to building upon that tradition and taking Orlando City Soccer to the highest level of competition in North America, Major League Soccer.

Having spent much of my career in the English Premier League, I have been impressed with the maturing level of talent in American soccer and am thrilled to help nurture it. Our Orlando City club is looking forward to competing in the very first USL PRO season. I have a lot of faith in this season's squad. In our pre-season, we were 2-1 against three Major League Soccer teams, which is testament to our players' skill, determination and hard work. The talent level between USL Pro and MLS players, apart from a few highly paid stars, is fairly even. We are determined to rise to the occasion at every opportunity.

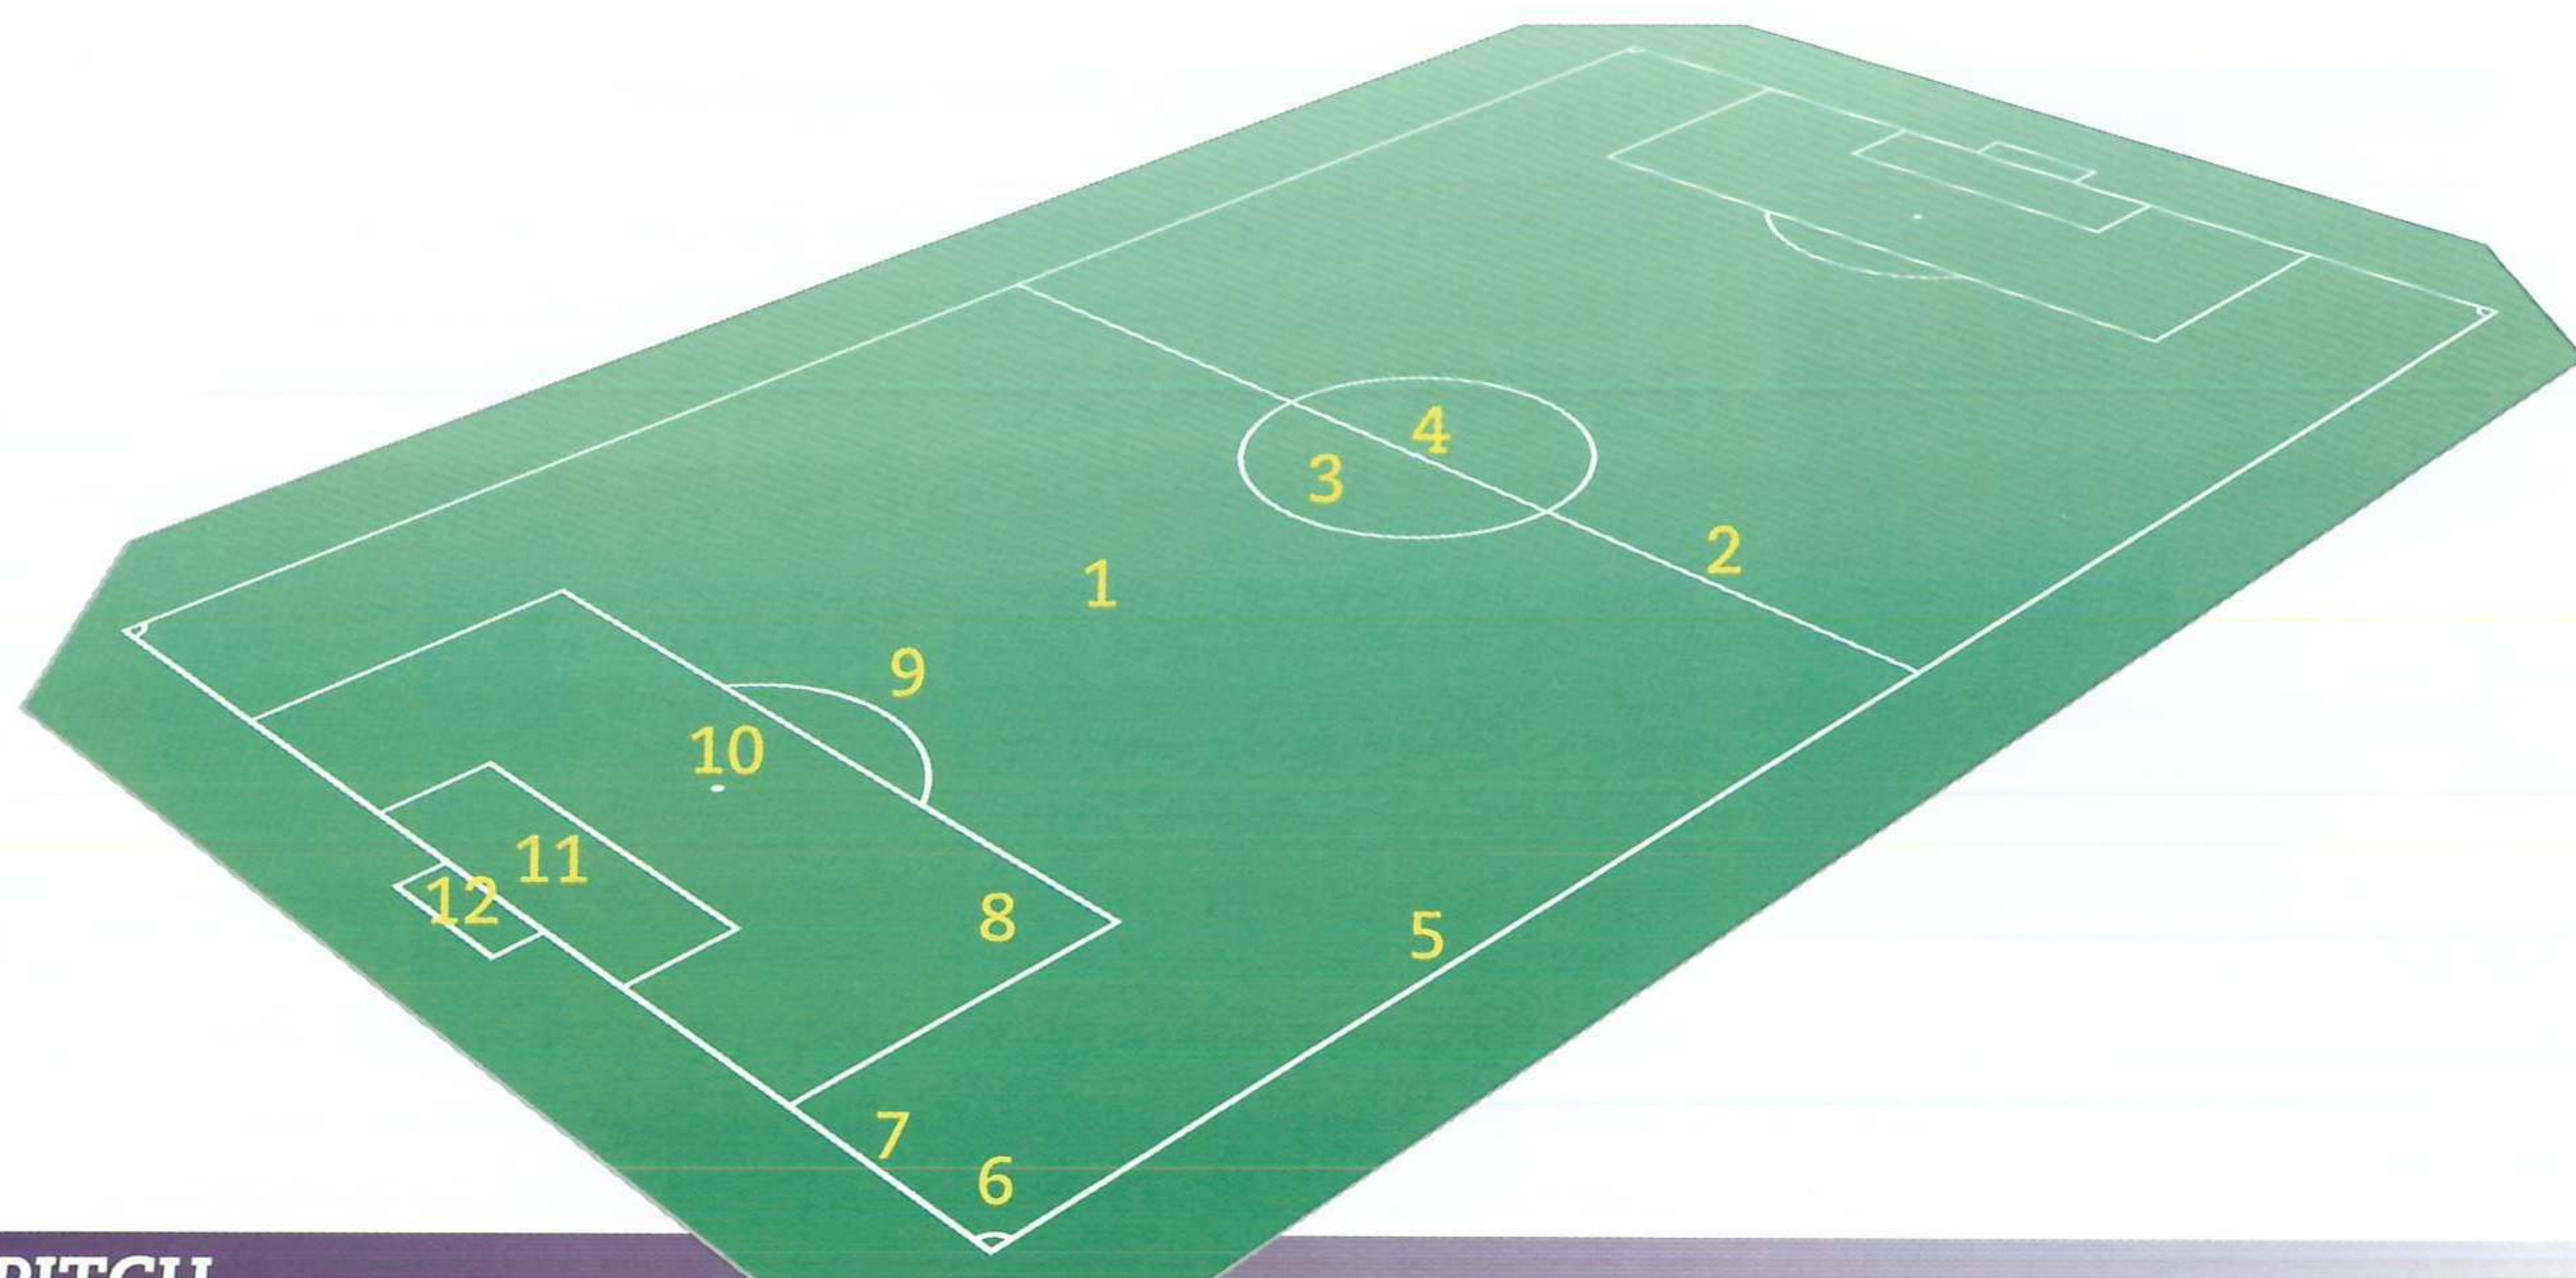

Though Orlando City might seem like a brand new team, most of our squad has played together before in Austin, Texas. We are also supported by over 55 years of combined professional sports management expertise. In fact, Orlando City Soccer is also backed by a total of 275 years of soccer history in the form of its two affiliate partner clubs, Stoke City F.C. and Burnley F.C. from England. Both clubs are founding members of the Football League, the world's original and oldest soccer league, founded in 1888. So we are keeping the soccer tradition alive and well in one of the fastest growing, forward thinking and exciting cities in America - it's going to be a great year!

Thanks as always to our support staff - Ian Fuller, assistant coach, Marcos Machado, goalkeeper coach, Dr. Jay Allbright of Orlando Health, Melissa Heinlein, trainer and Alex Wolf, Director of Operations for their hard work. It's a team effort on and off the field and that includes Steve Donner and our entire administrative staff. A special "Cheers" to Phil and Kay Rawlins for your personal support and your dedication to the World's most popular sport!

I extend my final thank you to the incredible Orlando City supporters who have made our arrival in Central Florida so rewarding already. Fans, we couldn't do it without you and we're excited to make history for you here in Orlando all season long. See you all at the Citrus Bowl!

A handwritten signature in purple ink, which appears to read "A. Heath". The signature is stylized and fluid.

Adrian Heath
Orlando City Head Coach

The PITCH

1. The Pitch

The playing surface for the game of soccer is commonly referred to as the pitch. All line markings on the pitch are considered within the bounds of play.

2. Halfway Line

The middle of the field is divided lengthwise by the halfway line.

3. Center Circle

A ten yard circle in the center of the field marks the area where the defending team must vacate during kickoffs.

4. Center Spot

A mark at the center of the halfway line where the ball is placed preceding kickoffs.

5. Touchline/Sideline

The line that defines the outer edge of the longer sides of the field. When the ball goes out over the touch line, a throw-in occurs.

6. Corner Arc

Area where the ball is placed on corner kicks. A flag at least five feet high stands at all four corners.

7. End Line/Goal Line

Lines that mark out of bounds at either end of the field. When the ball goes out of bounds over the goal line, either a goal kick or corner kick occurs, depending on which team last touched the ball.

8. Penalty Area/18-yard Box

A rectangular box centered on the goal that marks the penalty area. This box is 44 yards wide by 18 yards deep. A foul inside the penalty area results in a penalty kick.

9. Penalty Arc

This arc adjoins the penalty area, and encloses the area within 10 yards from the penalty spot but is not part of the

penalty area. The "D", along with the penalty area, marks an exclusion zone for all players other than the penalty kicker and goalkeeper during a penalty kick.

10. Penalty Spot

This spot is inside the penalty area 12 yards from the goal. The penalty spot is where penalty kicks are taken from.

11. Goal Area/6-yard Box

A smaller rectangle inside the penalty area that is also centered on the goal. The box measures 20 yards wide by 6 yards deep. This box marks the area from which a goal kick must be taken.

12. The Goal

A goal is scored when the ball passes completely over the goal line and within the 24 feet wide by 8 feet high goal.

The PLAYERS

Goalkeepers

Only one “Goalie” or “Keeper” per team is allowed to play at a time. His job is to keep shots out of his own goal and to distribute the ball. While in the “Penalty Box” he can use his hands to handle the ball. If he is out of the Penalty Box he cannot. Goalies wear different colored shirts than their teammates.

Defenders

Defenders are also called Backs or Fullbacks. The defenders play closest to their own goal. Their primary job is to stop the other team from scoring. A defensive Stopper may be assigned to cover the opponents best scorer. Every player on each side is considered a “defender” when the opponent has the ball.

Midfielders

Midfielders (or Halfbacks) are the link between offense and defense providing ball control and passing. There can be Offensive Midfielders who play closer to the Forwards and Defensive Midfielders who play more of a stopper role closer to the Fullbacks. Often the Central Midfielder role is to organize play.

Forwards

Forwards play closer to the opponent’s goal. The Forwards are usually the primary scorers, although Midfielders sometimes score and Fullbacks may score as well. A team’s primary scoring threat is called a Striker or Finisher. Wingers play along the sidelines providing crossing passes for shoots on goal.

The RULES

Roster

A USL PRO roster consists of a maximum of 30 players, with 18 designated for each game and 11 on the field at a time.

Point system

The standard FIFA (3-1-0) system awards three points for a regulation victory. In a tie, each team earns a point. For a loss, a team earns no points.

Game Clock

All games are comprised of 90 minutes (two 45-minute halves). During the regular season, no overtime is utilized.

Substitutions

Five substitutions are allowed per league game.

Yellow Card

Held up by a referee to warn a player for dangerous or unsportsmanlike conduct.

Red Card

Received during a game after a player earns two yellow cards or commits an egregious foul. The player must then leave the game.

Free Kick

This kick is taken from the point at which a foul occurred. Prior to being kicked, the ball must be stationary. The opponents stand 10 yards from the ball until it is kicked.

Penalty Kick

A player is able to score a goal directly from this kick. If the ball misses the goal or is saved, the game continues on as it was.

Goal Kick

Used to restart the game after the opposition has kicked the ball over the goal line.

Corner Kick

Used to restart the game after the defending team has kicked the ball over the goal line.

Throw In

A ball is considered “out” on the team that last touched it when it completely crosses the side line.

Therefore, an opposing team player is allowed to pick up the ball with both hands and throw it in over his head.

Offside

A player is considered offside if he is involved in a play where there are less than two opposing players between him and the goal when the ball was kicked to him.

City Pride within the Community

Hello and welcome to the Orlando City community page! As the team begins to grow so will our community outreach programs. We aim to enhance lives of others through a variety of initiatives and programs in the Central Florida community.

We will emphasize working with:

- education of children, parents and teachers about the importance of physical and mental fitness
- strengthening our local communities through assistance with basic needs

- raising awareness of local non-profits in the community they serve
- supporting youth organizations through donating to fundraisers & player appearances
- providing assistance to the global soccer communities
- raising community awareness of environmental issues

We are excited to have a great group of players and staff to work with and hope that you are able to experience their positive impact on the Orlando community.

Be sure to visit our website at www.orlandocitysoccer.com to follow our players and staff and see what Orlando City is doing to support our wonderful community.

Charity begins at home!

Each Orlando City home game will feature a local charity, allowing fans to donate to causes in their own backyard. There will also be chances to win a signed jersey!

Passback Stars!

The Passback Program is one of the cornerstones of the U.S. Soccer Foundation and Orlando City Soccer is proud to be involved in this fantastic opportunity to reach out to the community.

We work together with the community to collect new and gently used soccer equipment at our home games which are then distributed to children and adults who otherwise may be unable to play our wonderful sport.

We also challenge Central Florida youth teams to see who can collect the most equipment! There will be a grand prize awarded to the team that collects the most, so be sure to take part.

Since 2002, Passback has collected and distributed over 670,500 pieces of equipment and Orlando City is committed to making sure that figure keeps growing!

Donations of all kinds are acceptable. We will take anything a soccer

player could use: including jerseys, shorts, shin guards, socks, cleats, balls, bags, warmups, water bottles, and so on. Jerseys do not have to be in complete sets and it doesn't matter if they have logos or numbers on them. Balls do not have to be deflated.

For more information visit our website at www.orlandocitysoccer.com

**Share the equipment.
Share the game!**

Goals for Good

Your Orlando City Soccer team is not only scoring goals to win the USL championship, we are also scoring goals to help raise money to buy important equipment for the Neonatal Intensive Care Unit at the Winnie Palmer Hospital for Women & Babies. Orlando City Soccer Club is proud to be supporting this great cause and we are looking for support from our fans too. We are launching a competition to guess the number of goals scored in the regular season and ask you to pledge \$1 per goal, which will help fund this important appeal.

In appreciation of your support, all entrants will be entered into our drawing to win some great prizes.

THE RULES

Each entrant agrees to pledge \$1 for each goal Orlando City scores during the 2011 regular season. (not including cup matches) Plus, each entrant must guess the total goals scored by Orlando City (home and away) during the season.

In the event that more than one person guesses the correct number of goals scored by Orlando City, this tie breaker question must also be answered:

How many goals will Orlando City score at the Citrus Bowl during their 2011 season?

All entries must be received by June 1st 2011.

All pledges must be received by August 19th 2011 to qualify for the main prize.

THE PRIZES

2 tickets to our end of season Team Awards Dinner, plus a team jersey signed by Coach Adrian Heath and members of the Orlando City Soccer team.

All winners who correctly guess the number of goals we score at the Citrus Bowl will receive an official Orlando City t-shirt.

USL PRO American Division

Charleston Battery • Head Coach Mike Anhaeuser

This marks the 19th year of soccer for the Battery. The club is the 2010 defending USL-2 champions and certainly should be favored to reach the playoffs again this season. Charleston is one of the more successful minor-league soccer teams in United States history, having previously won the USISL Pro League in 1996, and the USL A-League in 2003.

The team hosts its home games at the soccer-specific

Blackbaud Stadium, the first privately funded soccer-specific stadium built in the United States. It seats 5,100 people.

There may be holes in the line-up that need to be filled, especially in the attacking third of the field that will likely prove the biggest challenge for the squad in their bid to win back-to-back championships.

Charlotte Eagles • Head Coach Mark Steffens

Located in Charlotte, North Carolina, Charlotte plays their home games on the campus of Charlotte Christian School. Founded in 1991, the team turned professional when it entered the USISL in 1993. The Eagles have over 200 wins, seven National Final appearances and two USL-2 National Championships. They were D-3 Pro League champions in 2000, and won the USL Second Division in 2005.

They were also Division champions in 1996, 1999, 2004, and 2005 in various leagues.

This is the head coach's 15th year, leading the Eagles to the USL-2 Championship match seven times, and winning the championship in 2000 and 2005. He has earned USL-2 Coach of the year twice in his career, the latest coming in 2008.

Orlando City • Head Coach Adrian Heath

The Orlando City franchise is new to Central Florida but not to the soccer pitch, having relocated from Austin Texas where they played as the Austin Aztex. The club played in the USSF Division 2 Pro League in 2010, finishing second in the USL conference.

This is a well-seasoned squad that has played together under Adrian Heath's brand of aggressive, goal-scoring play that has already resulted in victories over two

MLS clubs in pre-season this year. USL PRO promises to be a highly competitive challenge for the "Lions."

Key players include forward Jamie Watson (named one of Soccer America's "Ten Players to Watch" for the USL PRO season), English midfielder Lewis Neal, Jamaican defensemen Demar Stewart and Kieron Bernard and forward Devorn Jorsling from Trinidad and Tobago.

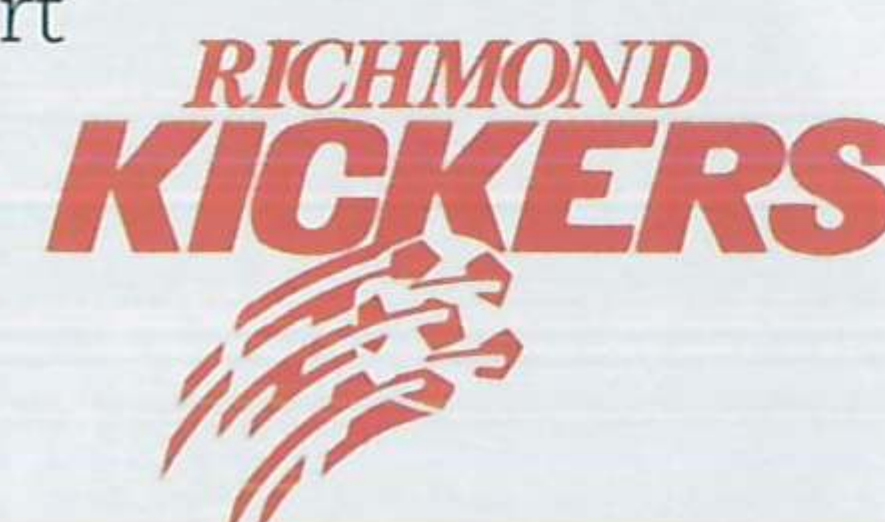

Richmond Kickers • Head Coach Leigh Cowlshaw

The Kickers were founded in 1993, playing in the USISL. In 1995 after winning the USISL, the team went on to win the U.S. Open Cup, defeating the El Paso Patriots in a stunning shootout. In 1997 the team joined the A-League, winning two conference championships and getting as high as the quarterfinals in the U.S. Open Cup.

After eight successful seasons in the A-League, the

team moved into the USL First Division in 2005 then the USL second division in 2006. The Kickers won the Second Division title in '06 and '09 and advanced to the quarterfinals of the U.S. Open Cup in 2007.

Richmond Kickers owner Robert Ukrop, along with the current head coach Leigh Cowlshaw, was on the '95 championship team and was the game MVP.

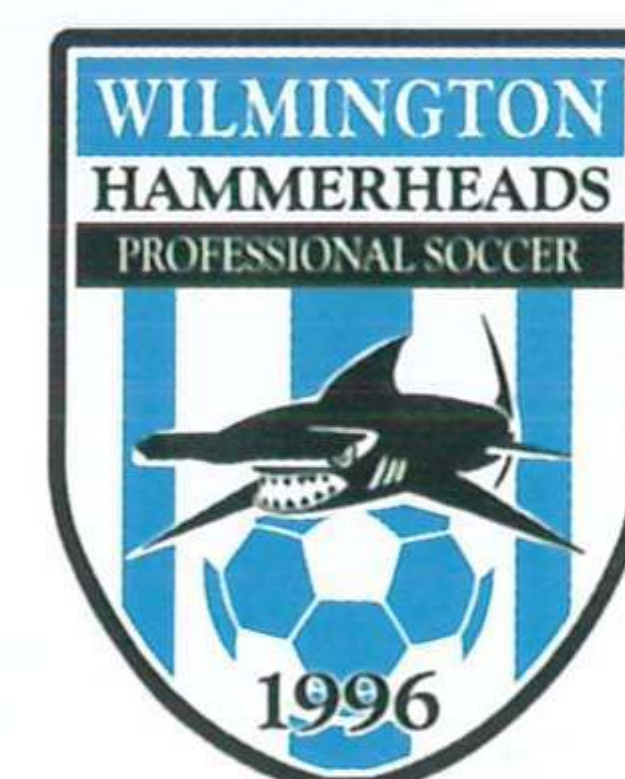

Wilmington Hammerheads

• Head Coach David Irving

The club has had a strong following since their inception in 1996. The team plays at 6,000 seat Legion Stadium in Wilmington, North Carolina. The Hammerheads first played in the USISL Pro league then spent six seasons in the USL D-3 Pro League. Wilmington won two D-3 conference championships and qualified for the Open Cup twice. In 2003 the Hammerheads won the Championship in the USL Pro Select League

and went to the quarterfinals in the U.S. Open Cup, beating the Dallas Burn 4-1 and D.C. United 1-0 in the quarterfinals.

David Irving has been head coach since the '98 season, leading them to a USL Second Division title in 2003. Most of this year's squad is new. Key players include Tommy Taylor, Chris Murray, Jyler Noviello, and Ivan Becerra.

USL PRO National Division

Dayton Dutch Lions • Head Coach Iver van Dinteren

The Lions were founded in 2009 in Dayton, Ohio and were formerly a part of the USL Premier Development League in 2010. The owners of the Lions are Erik Tammer and Mike Mossel, both former Dutch pro players. The team brings an attractive, dominating style of professional soccer – based on the Dutch philosophy – to the league. The team is partnered with Dutch Eredivisie side FC Twente.

Key players include Julius Wille, Brett Jones, PDL Defender of the year Joe Tait, and Bahamian international defender Happy Hall.

Don't rule out the possibility of the team making the playoffs this season. Dayton could spring a few surprises as the season develops.

Home games are played at the Miami Valley South Stadium.

F.C. New York • Coach Matt Weston

An expansion franchise, co-owned by Jo-Ellen Treiber and Doug Peterson, F.C. New York will certainly face a stern test in its first USL PRO season.

F.C. New York was originally slated to play in 2010, but took an additional year to strengthen the club's infrastructure. However, ownership is optimistic that the groundwork laid during the past nine months will pay off on the field.

The club's captain will be Paul Shaw, who played for English side Millwall. Other players of note include Karsten Smith, Troy Cole and Josiah Snelgrove. Cole previously played for AC St. Louis and the Atlanta Silverbacks.

FC New York will be playing their home matches at St. John's University's Belson Stadium, a state-of-the-art soccer facility.

Harrisburg City Islanders • Head Coach Bill Becher

Based out of Harrisburg, Pennsylvania. The Islanders were founded in 2004 and play their home games at Skyline Sports Complex located in Harrisburg's City Island. The owner of the Islanders is Eric Pettis. The head coach was the 2005 USL-2 Coach of the Year.

Harrisburg played their first seven seasons in the USL Second Division, winning the USL Second Division Championship in 2007, when they also went on to beat

D.C. United in the opening round of the U.S. Open Cup to reach the quarterfinals. In 2009 the team defeated MLS New England Revolution and beat the New York Red Bulls in 2010.

Key returning players include Dustin Bixler, Jason Pelletier, and Anthony Calvano. Key newcomers include goalkeeper Chase Harrison and defender Andrew Marshall.

Pittsburgh Riverhounds • Head Coach Justin Evans

Founded in 1999 as a member of the USL A-League, the Riverhounds play at Chartiers Valley High School Stadium in Bridgeville, Pennsylvania. In 2001 the 'Hounds reached the US Open Cup quarterfinals after beating the Colorado Rapids and the El Paso Patriots.

In 2010 the Riverhounds were led by a strong defense and an impressive home record that saw them lose only twice in the league on their pitch.

The Riverhounds had close to a perfect offseason, keeping the core of their squad together. The heart of the defense is goalkeeper Hunter Gilstrap and defender Shintaro Harada. Former D.C. United player Thabiso "Boyyz" Khumalo has been added to form a scoring duo with Jeremy Deighton. The 'Hounds appear to be in the hunt for both their division and the USL PRO championship.

Rochester Rhinos • Head Coach Bob Lilley

The Rhinos are one of the most storied soccer clubs in the country. Founded in 1996, the Rhinos play at the Marina Auto Stadium, a soccer specific stadium that was built for the Rhinos in 2006.

Throughout their history, the Rhinos have never missed the playoffs. The Rhinos have reached their championship game six times, winning it three times. Perhaps the biggest feat in team history was winning

the 1999 U.S. Open, becoming the only minor-league team to win the Open Cup title since the inception of the MLS, beating the Colorado Rapids 2-0.

Key players include goalie Neal Kitson, leading scorers Isaac Kissi and Andrew Hoxie, Troy Roberts, Kendall Jagdeosingh and midfielder Tony Donatelli. The Rhinos are expected to fight it out for first place in the National Division.

USL PRO International Division

Antigua Barracuda FC • Head Coach Tom Curtis

Antigua Barracuda Football Club was established in 2008 to create a professional team that would provide an avenue for talented footballers in the Eastern Caribbean. After playing an exhibition schedule in 2010, Antigua Barracuda embarks on its first professional season in USL PRO, with a squad primarily made up of players from the Antiguan national team and the Antiguan Premier League.

The government and peoples of Antigua & Barbuda are all fully behind Barracuda as the country's lone professional football club prepares for their Antigua debut in the USL PRO on April 17 at Sticky Wicket Stadium.

Visiting USL PRO opponents' fans may find it difficult to return home; it is said that Antigua and Barbuda is the last stop before Heaven.

Los Angeles Blues • Head Coach Charlie Naimo

The Blues enter their first professional season with high expectations. Coach Charlie Naimo believes his squad can be competitive immediately. With a good balance of experience and youth, Naimo is hopeful his side can hit the pitch running.

The Blues' acquired former Mexican League star Walter Gaitan who scored 73 goals in 179 games for Tigres UANL. Other key players include team captain

John Tudela, Chukwudi Chinjindu, former Los Angeles Galaxy players Israel Sesay and Mike Randolph, plus former Real Maryland Monarchs defender Gareth Evans, who will all help the side with their considerable professional soccer experience.

The L.A. Blues are expected to be contenders in their first USL PRO season, even with the toughest travel schedule in the league.

Puerto Rico United • Head Coach Raimundo Gatinho

Led by owner Raul Blanco, Puerto Rico United was founded in 2007 and recently competed in the PRSL's 2010 Super Copa DirectTV tournament, which will serve as the qualifier for the 2011 Caribbean Football Union Club Championship.

In December of 2010, the USL added Puerto Rico United team to the league. PRU will join fellow Puerto Rican clubs Sevilla FC and Club Atletico River Plate

in the USL PRO league. Puerto Rico United is based in Aguada and will play its home games in 12,500 seat Roberto Clemente Stadium in Carolina, Puerto Rico.

The club recently signed Puerto Rican National teammates Andres Cabrero, midfielder, and striker Hector "Pito" Ramos to a seasoned roster that should be a competitive force within the division and league.

River Plate Puerto Rico • Coach Walter Zermatten

After four successful seasons in the Puerto Rican Soccer League, River Plate's first season in USL PRO comes with high expectations as regular season champion of the 2009 Puerto Rico Soccer League and winners of the SuperCopa DirecTV in 2010.

Key players include Cuban forward Yaikel Perez, Puerto Rican international Peter Villegas, who spent almost five seasons in Major League Soccer, Puerto

Rican international Chris Megaloudis and Argentinian players Matias Arce and Gustavo Paurolo.

On paper River's experience and depth would seem to make the club the favorite to win their Division. If Perez and Megaloudis can form a strong attacking partnership, River could also be a threat deep into the playoffs.

Sevilla FC Puerto Rico

• Head Coach Michael Megaloudis

Sevilla FC Puerto Rico is based in the town Juncos. The team was founded in 2006. In 2008 Sevilla FC won the first Puerto Rico Soccer League Championship against Club Atletico River Plate with a score of 2-1.

Sevilla FC will make its debut in the International Division of the new USL Professional Division in 2011. The team also competes in the Puerto Rico Soccer League.

The team will play its home games at Sevilla FC Stadium, which will be the first soccer-specific stadium built in Puerto Rico.

The team's colors are white and black. The team also has a secondary team called Atletico Sevilla that plays in Liga Nacional de Futbol de Puerto Rico, the second division of football in Puerto Rico.

Orlando City Affiliate Clubs

Stoke City Football Club

Based in Stoke-on-Trent, Staffordshire, Stoke City is the oldest club in the Premier League, and is considered to be the second oldest professional football club in the world, after Notts County. The club's nickname is The Potters, after the famous pottery industry centered around the Stoke-on-Trent area. Their traditional home kit is a red and white vertically striped shirt with white shorts and white socks.

Stoke is enjoying their third year in the EPL, with Manager Tony Pulis' team building a reputation as a side that is tough to beat, especially at home. At printing, they are undefeated when playing at home in the 2011 season!

Location: Stoke-on-Trent, Staffordshire, England
Year Formed: 1863 • Nickname: The Potters

Their reputation is built on a solid defense and a squad of players who give their all for the red and white stripes of The Potters.

In the FA Cup Stoke have made it to the semi-final stage on four occasions: firstly in 1899 then in 1970, 1971 and most recently in 2011.

Burnley Football Club

Burnley Football Club began life as a Rugby Club. However, Burnley Rovers soon switched codes and became Burnley Football Club in 1882. They moved to their Turf Moor home shortly afterwards, at the invitation of the town's cricket club, which is still situated next to the stadium.

The team is based in Burnley, Lancashire, and are nicknamed the Clarets, because of the dominant color of their home shirts.

They were founder members of the Football League in 1888 and have played at their home ground at Turf Moor since 1883.

Location: Burnley, Lancashire, England
Year Formed: 1882 • Nickname: The Clarets

Burnley have been Football League Champions twice, in 1920-21 and 1959-60, and have won the FA Cup once, in 1914.

They are one of only three teams to have ever won each of the top four professional divisions of English football.

Club de Futbol Monterrey

The Monterrey Football Club is a Mexican football team from Monterrey, Nuevo León. Founded on June 28th, 1945, it is also the oldest team from the north of Mexico currently playing in its professional division. They are owned by FEMSA, Latin

America's largest bottling company. Their home uniform has earned them the nickname of the Rayados (the striped ones) and their oldest rival is the Tigres of the Autonomous University of Nuevo León, with whom they play a local derby.

Kedougou Academy

The Kedougou Academy is located in the home town of Salif Diao, who plays for Stoke City F.C. the project was originally started to encourage children to attend school in the village of Kedougou, Senegal, which is 430 miles from the capital city of Dakar. Previously, if children wanted to attend

school and join a football academy they would have to leave their family and friends to live in Dakar as Salif did when he was 13. For most children this isolation from home life meant that they did not have the support they needed. Salif set up a program to keep children with their families.

The academy now helps more than 85 children from the age of 6 to attend a professional school. Prior to being involved in the program, 85% of children did not attend school. The philosophy of the academy is to encourage the playing of sport while attending school - simply put: no school, no football.

Louisville Lightning

The Louisville Lightning is a professional indoor soccer team competing in the Professional Indoor Soccer League (PASL). The PASL offers high-quality, fast paced indoor soccer with constant action and scoring. The PASL has 10 teams in the

United States and has partnerships with the professional indoor leagues in Canada and Mexico. Wayne Estopinal, a co-owner of Orlando City also owns this club, which includes a soccer program involving over 600 players.

Victoria Highlanders

The Victoria Highlanders are based out of Victoria, British Columbia, Canada and play in the USL Premier Development League. The Highlanders began play in 2009 after owner Alex D. Campbell witnessed the success of the 2007 FIFA U-20 World Cup, held in Canada.

He saw the need to help develop young players across Victoria and believed the island was ready for a new professional soccer franchise. Today the Highlanders play in Bear Mountain Stadium, located in City Centre Park.

"If it's from Heroes it's right!"

“A leading event design and production company that utilizes a unique approach to create stunning, functional, and unique events that enhance your ability to focus on your audience and deliver your results.”

Unique Products - Unique Vision - Unique Option

Throughout the summer, Orlando City Soccer Camps offer 13 camp locations around Central Florida for youth soccer players ages 4-18. Under Orlando City direction, campers will learn valuable skills to practice and play like their favorite professional stars. While at camp, players will scrimmage, get individual training from coaches, learn skill games and even have the opportunity to play in tournaments. Camps begin on June 6th and run through August 15th, with half day or full day options during the week.

Each camper receives:

Umbro soccer ball, Umbro socks, Umbro shorts, 2 Umbro Orlando City shirts, Umbro sling backpack, camp ID badge, 1 Orlando City game ticket for Camper Reunion Night on August 6th, when Orlando City take on Charleston Battery.

In addition to skill training and clinics, we've schedule special events for every day of the week:

Monday • Jersey Day! - Campers are invited to wear their soccer club jersey, or jerseys of professional clubs or national teams

Tuesday • Ball Design! - Design your soccer ball with markers, paint and stickers. Be creative!

Wednesday • Orlando City Super Fan Day! - Paint your hair & your face, dress in a wild outfit that will make you stand out as a true "City" fan!

Thursday • Water War Day! - Bring your water balloons, super soakers and wet suits! Everyone participating will get extremely wet!

Friday • Camp Graduation and Media Day

Campers will receive awards and be recognized in front of their parents for their accomplishments at camp. An autograph and picture session with Orlando City professional players will take place after graduation.

Summer Camp Dates

Date	City	Field Location
June 6 - 10	Winter Springs	Central Winds Park
June 13 - 17	Orlando	Trotters Park
June 20 - 24	Winter Garden	West Orange Soccer Complex
June 27 - July 1	Apopka	Northwest Recreation Center
July 6 - 8	Orlando	Citrus Bowl*
July 11 - 15	Deltona	Dewey O'Bosters Sports Complex
July 18 - 22	Winter Park	Ward Park
July 25 - 29	Orlando	Blanchard Park
July 25 - 29	Clermont	National Training Center
August 1 - 5	Sanford	Seminole Soccer Complex
August 1 - 5	Winter Garden	West Orange Soccer Complex
August 8 - 12	Casselberry	Red Bug Lake Park
August 15 - 19	Orlando	Barber Park
August 15 - 19	Kissimmee	Austin-Tindall Regional Park

* Fantasy Camp for adults 18 and over.

"We work extremely hard to connect our professional team with aspiring young players and their parents. Our unique camp programs are specifically designed for players to experience the thrill of learning new

talents while building relationships with professional players and coaches. We look forward to teaching your son or daughter the Orlando City way."

Brian Pederson,
Director of Camps and Clinics
